CORPORATION OF THE TOWN OF HAWKESBURY

NOTICE IS HEREBY GIVEN that the following petition has been lodged with the Clerk of the Legislative Assembly and the Lieutenant Governor of Ontario for the passing of a Private Bill and that the following is a true copy of the petition addressed to the Honourable Lieutenant Governor of Ontario and to the Honourable the Legislative Assembly of the Province of Ontario in Parliament assembled at the forthcoming session.

J. B. CUILLERIER,
Clerk-Treasurer,
Town of Hawkesbury.

PETITION

To the Honourable the Legislative Assembly of the Province of Ontario in Parliament assembled.

The Petition of the undersigned, the Corporation of the Town of Hawkesbury, humbly sheweth that:

1. By-laws 2003 and 2004 hereto annexed, and marked as Exhibits "A" and "B" to this petition, were passed in first and second reading on or about the 24th day of May, 1960, and through error or inadvertence the said By-laws did not receive sanction of the Ontario Municipal Board nor were they finally read and passed.

2. The aforesaid By-laws pertained to the construction under The Local Improvement Act of storm sewers, sanitary sewer mains, and water services, along certain streets within the Corporation limits of the Town of Hawkesbury and the work was completed and the services were installed.

3. The persons concerned have been assessed for the sums of money expended and, although some have paid, others have refused payment maintaining the By-laws to be invalid.

4. Unless the within petition is granted, the burden of payment for the said work will fall upon the general ratepayers of the Town of Hawkesbury as a whole, instead of upon the persons assessable under the provisions of The Local Improvement Act; wherefore your petitioners humbly pray that your Honourable House may be pleased to pass an Act to give force and effect to By-laws 2003 and 2004 notwithstanding the failure of the Corporation of the Town of Hawkesbury to obtain the approval for such By-laws from the Ontario Municipal Board and to give the same third reading.

VICTOR BRUNEAU,
Mayor.

J. B. CUILLERIER,
Clerk.

Whereas Eugene Brunette and others have petitioned the Municipal Council to construct, as a local improvement the works hereinafter described, and the Clerk has certified that the petition is sufficient;

And Whereas the Municipal Council has also been petitioned and feels it is expedient to construct as a local improvement, private water service pipes from the watermain to the street line on both sides of the street as hereinafter described;

And Whereas it is expedient to grant the prayer of the petitioners in the manner hereinafter provided;

And Whereas the Municipal Council has procured to be made the reports, estimates and statements required for undertaking the said works.

Therefore the Municipal Council of the Corporation of the Town of Hawkesbury enacts as follows:

1. (a) That a 6" i/d cast iron Class 22 M.J. water-main be constructed in Dufferin Street from Main Street to Lansdowne Street, a distance of approximately 850 lineal feet, as a local improvement under the provisions of The Local Improvement Act.

2. That the engineer of the Corporation do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of a contract for the execution of the works, (or for carrying on and executing the works by day labour).
3. The works shall be carried on and executed under the supervision and according to the directions and orders of said engineer.
4. The Mayor and Clerk are authorized to cause a contract for the construction of the works to be made and entered into with some person or persons, firms or corporation, subject to the approval of this Council, to be declared by a resolution, (unless this Council decides by a resolution to carry on and execute the works by day labour, in which event the works shall be carried on and executed by day labour).
5. The Treasurer may (subject to the approval of Council) agree with any bank or person for temporary advances of money to meet the cost of the works pending the completion of it.
6. That the special assessment shall be paid in fifteen (15) annual instalments,

7. The debentures to be issued for the loan to be effected to pay for the works when completed shall bear interest at such rate as Council may determine and be made payable within fifteen (15) years on the instalment plan.

8. That any person whose lot is specially assessed may commute for a payment in cash the special rates imposed thereon by paying the portion of the cost of construction assessed upon such lot, without interest, if such payment is made within one month from the date of the final sittings of the Court of Revision for the revision of the special assessment roll, and at any time thereafter by the payment of the balance of the cost of construction assessed upon such lot together with the sum of money representing the difference between the amount of interest payable under the debentures issued for the payment of said cost and the interest realizable from the investment of said cash payment at the then prevailing rate of interest.

Done and passed in open Council by a vote of two-thirds of all members of Council, signed by the Mayor and Clerk after a first and second reading, this 24th day of May, 1960.

CORPORATION OF THE TOWN OF HAWKESBURY

NOTICE IS HEREBY GIVEN that the following petition has been lodged with the Clerk of the Legislative Assembly and the Lieutenant Governor of Ontario for the passing of a Private Bill and that the following

is a true copy of the petition addressed to the Honourable Lieutenant Governor of Ontario and to the Honourable the Legislative Assembly of the Province of Ontario in Parliament assembled at the forthcoming session.

J. B. CULLERIER,
Clerk-Treasurer,
Town of Hawkesbury.

PETITION

To the Honourable the Legislative Assembly of the Province of Ontario in Parliament assembled.

The Petition of the undersigned, the Corporation of the Town of Hawkesbury, humbly sheweth that:

1. By-laws 2003 and 2004 hereto annexed, and marked as Exhibits "A" and "B" to this petition, were passed in first and second reading on or about the 24th day of May, 1960, and through error or inadvertence the said By-laws did not receive sanction of the Ontario Municipal Board nor were they finally read and passed.

2. The aforesaid By-laws pertained to the construction under The Local Improvement Act of storm sewers, sanitary sewer mains, and water services, along certain streets within the Corporation limits of the Town of Hawkesbury and the work was completed and the services were installed.

3. The persons concerned have been assessed for the sums of money expended and, although some have paid, others have refused payment maintaining the By-laws to be invalid.

4. Unless the within petition is granted, the burden of payment for the said work will fall upon the general ratepayers of the Town of Hawkesbury as a whole, instead of upon the persons assessable under the provisions of The Local Improvement Act; wherefore your petitioners humbly pray that your Honourable House may be pleased to pass an Act to give force and effect to By-laws 2003 and 2004 notwithstanding the failure of the Corporation of the Town of Hawkesbury to obtain the approval for such By-laws from the Ontario Municipal Board and to give the same third reading.

VICTOR BRUNEAU,
Mayor.

J. B. CULLERIER,
Clerk.

CORPORATION OF THE TOWN OF HAWKESBURY

BY-LAW No. 2003

BEING a By-law to authorize the construction of water-main and water service pipes on Dufferin Street from Main Street to Lansdowne Street, a distance of approximately 850 feet, as a local improvement under the provisions of The Local Improvement Act.

Whereas Eugene Brunette and others have petitioned the Municipal Council to construct, as a local improvement the works hereinafter described, and the Clerk has certified that the petition is sufficient;

And Whereas the Municipal Council has also been petitioned and feels it is expedient to construct as a local improvement, private water service pipes from the watermain to the street line on both sides of the street as hereinafter described;

And Whereas it is expedient to grant the prayer of the petitioners in the manner hereinafter provided;

And Whereas the Municipal Council has procured to be made the reports, estimates and statements required for undertaking the said works.

Therefore the Municipal Council of the Corporation of the Town of Hawkesbury enacts as follows:

1. (a) That a 6" i/d cast iron Class 22 M.J. watermain be constructed in Dufferin Street from Main Street to Lansdowne Street, a distance of approximately 850 lineal feet, as a local improvement under the provisions of The Local Improvement Act;

4. The Mayor and Clerk are authorized to cause a contract for the construction of the works to be made and entered into with some person or persons, firms or corporation, subject to the approval of this Council, to be declared by a resolution, (unless this Council decides by a resolution to carry on and execute the works by day labour, in which event the works shall be carried on and executed by day labour).
5. The Treasurer may (subject to the approval of Council) agree with any bank or person for temporary advances of money to meet the cost of the works pending the completion of it.
6. That the special assessment shall be paid in fifteen (15) annual instalments.
7. The debentures to be issued for the loan to be effected to pay for the works when completed shall bear interest at such rate as Council may determine and be made payable within fifteen (15) years on the instalment plan.
8. That any person whose lot is specially assessed may commute for a payment in cash the special rates imposed thereon by paying the portion of the cost of construction assessed upon such lot, without interest, if such payment is made within one month from the date of the final sittings of the Court of Revision for the revision of the special assessment roll, and at any time thereafter by the payment of the balance of the cost of construction assessed upon such lot together with the sum of money representing the difference between the amount of interest payable under the debentures issued for the payment of said cost and the interest realizable from the investment of said cash payment at the then prevailing rate of interest.

Done and passed in open Council by a vote of two-thirds of all members of Council, signed by the Mayor and Clerk after a first and second reading, this 24th day of May, 1960.

ROSAIRE GASCON,
Mayor.

J. L. E. GELINEAU,
Clerk.

Finally passed on third reading, by a vote of two-thirds of all members of Council, and sealed with the seal of the Corporation, this day of , 1960.
